7 December 1948

The Honorable E. H. Foley, Jr.  
Under Secretary of the Treasury  
Treasury Department  
Washington, D. C.

Dear Mr. Foley:

Thank you for your letter of 1 December 1948, informing me of the designation of Mr. James J. Maloney to replace Mr. M. L. Harney as the sole channel for approving liaison or working contacts between the Treasury Department and the Central Intelligence Agency.

I have written to Mr. Harney personally, but I should also like to express to you my sincere appreciation for the most excellent relations which we have enjoyed with him. Mr. Harney's understanding cooperation and extremely able handling of our many requests have been of very great assistance to this Agency, and we shall be delighted if we can help him in any way in his new assignment.

I am pleased to learn that Mr. Maloney, whom we already know, will be our contact in the future and assure you that we are looking forward to a continued pleasant association with him.

With best wishes, believe me,

Sincerely,
